Your previous instalment agreement with RBS Finsure will shortly expire and renewal is not available due to this division of RBS being wound up. We have made alternative arrangements for you with Close Premium Finance. In common with the previous agreement, no charges apply in the event of cancellation or default.

In order for us to arrange the new agreement on your behalf, may we ask that you supply us with your bank details?

Once your loan agreement is in place, Close Premium Finance will send you a credit agreement which must be signed and returned to them within 14 days, or a charge of £10 will be added on to your next instalment.

OUR RECOMMENDATION EXPLAINED

1) **Your requirements for this insurance:-**

- Once we have obtained certain facts from you, to obtain a competitive quotation on your behalf.
- To only recommend cover with a reputable insurer with sound financial strength rating and a proven claims service.
- To explain any policy excesses, cover restrictions or exclusions of which you should be aware.
- Subject to your instructions, to place and maintain cover for a 12 month period.

2) **How we select an appropriate quotation for you:-**

- Whilst we have access to over 50 insurance providers in all, only a limited number provide the cover you require.
- Using our experience we will select a panel of insurers who have products available and suitable for your needs. We may obtain quotations directly from our own computer system, over the internet, by written application or by telephone dependent upon circumstances. A list of the insurers we have contacted can be provided upon request.
- We will compare terms, conditions and exclusions before making a recommendation to you.
